Work Experience

Contractor | Website Development, Burlington, VT | Nov 2018 - Present
As a contractor, I created a website for a local bakery, Red Poppy Cakery. The website, redpoppycakery.net, is an ongoing project where I continue to communicate with the client and update the website to meet the new demands of their growing business.

Manager | Vivid Coffee, Burlington VT | Nov 2020 - Present
My role as a manager included making sure the day-to-day operations ran as smoothly as possible. I lead and train a team of baristas to ensure high standards of performance at the café. Additionally, my tasks include ordering and managing the inventory and handling the cash that is deposited daily.

Shift Lead | New Moon Cafe, Burlington VT | Apr 2017 - Nov 2020
As Shift Lead, my tasks include training new staff members and identifying areas where additional training was needed, ensuring other staff completed their duties before the end of their shifts, handling the daily cash deposits, ordering inventory for the cafe, and ensuring customer satisfaction.

Associate Trainer | Panera Bread, Concord NH | Jul 2014 - Nov 2015 &
Associate Trainer | Panera Bread, Burlington VT | Jul 2016 - Aug 2017
As an associate trainer, I was certified to train new employees in any of the entry-level positions. While working there I had excellent customer service, and quick speed of service, and was awarded rookie of the year, at both locations.

Tutor | NHTI Concord's Community College | Sep 2014 - May 2015
While a senior at NHTI, I tutored freshmen in Animation and Graphic Game Programming Major. I helped students understand and learn the core essentials of game programming.
